A MIRACULOUS CURE.

The following statement by H. M. Adams and wife, Henrietta, Pa., will interest parent and others. "A miraculous cure has taken place in our home. Our child had eczema 5 years and was pronounced incurable, when we read about Electric Bitters, and concluded to try it. Before the second bottle was all taken we noticed a change for the better, and after taking 7 bottles he was completely cured. Its the up-to-date blood medicine and body building tonic. Guaranteed. 50c and \$1.00 at all druggists.

HUSTLING DOWN STAIRS.

On Sunday the thermometer was away up towards 90 degrees, but along in the night it took a tumble, and when folks arose on Monday morning they found that there was more than 40 degrees difference existing. It was cool enough for fires all day Monday and early Tuesday morning. Later things became more normal.

Accidents will happen, but the best regulated families keep Dr. Thomas' Electric Oil for such emergencies. It subdues the pain and heals the hurts.

NEW LAUNCH GIVEN TRIAL TRIP.

The new launch, the Nettie Grant, just completed here, was given a trial trip up the river on Monday, Capt. Geo. Samples and Capt. John Sheets being in charge. She made the good time of eight miles an hour. She will be used for excursion and picnic purposes.

The Corner-stone Laying of Kentucky's New Capitol

An elaborate program has been arranged, and nothing will be spared to make this day one long to be remembered in the State of Kentucky.

You will probably need something nice to wear for the occasion. Our store is stocked to overflowing with stylish outer-garments, representing the highest development in the art of ladies' tailoring.

The stocks we carry would be a credit to most stores in larger cities.

KENTUCKY RIVER GETS \$174,000.

In the bill for internal improvement now pending in Congress there is the item of \$174,000 for the continuation of the improvements on the Kentucky River. This sum is not enough, but it will help somewhat.

60 Building Lots on Thorn Hill Heights

Are Offered at Prices Ranging from \$100.00 to \$150.00, Upon Payments of \$5.00 Cash and \$1.00 Per Week

Without interest, until balance of purchase money is paid. This is an opportunity for the working man to secure a home of his own and should also prove a good investment for the man with cash. Where we have full confidence in a quick sale for all of these lots, yet, in order to enlist the co-operation of each lot purchaser, we will offer to them three **CASH PREMIUMS** as follows: To the party securing purchasers for the largest number of lots, \$400; to the party securing purchasers for the second largest number lots, \$200.00, and to the party securing purchasers for the third largest number of lots, \$100.00. This offer is on condition that all of the sixty lots are sold, and in the event that only half of the sixty lots are sold, the cash premiums will be exactly half of the above-named sums, or if only a fourth are sold a fourth of said amounts will be given. As we expect more than one-fourth of the lots to be sold before noon of the first day this advertisement appears, we hardly think it necessary to prorate the premiums below one fourth, but, in order to make all interested parties feel assured that their efforts are fully appreciated, these premiums will be prorated down to the sale of a single lot. The premiums will be paid in cash as follows: 25 per cent. when one-fourth is paid on the lots sold; 25 per cent. when one-half is paid on lots sold; 25 per cent. when three-fourths are paid on lots sold, and 25 per cent. when all of the lots are paid for. If you are interested in this proposition we will advise you to act promptly as to-day may be the only chance you will have to secure one of these lots.

NARROW ESCAPE.

On Thursday afternoon Mr. Herman Smither and Miss O'Nan were returning to their homes on the Owen-ton pike, and when on the highest point of the road, back of the O. F. C. Distillery, the horse became demoralized by the storm and backed over the cliff. Luckily the buggy was caught by some small trees and, with help from passersby, the parties were rescued from their perilous condition.

THE WISDOM OF ANIMALS.

You can not induce a lower animal to eat heartily when not feeling well. A sick dog starves himself, and gets well. The stomach, once over-worked, must have rest the same as your feet or eyes. You don't have to starve to rest your stomach. Kodol for dyspepsia takes up the work for your stomach, digest what you eat and give it a rest. Puts it back in condition again. You can't feel good with a disordered stomach. Try Kodol. Sold by J. W. Gayle.

SHOOTING SCRAPE.

On Thursday morning two men by the name of John Woods and Tyler Rogers, living on the Devil's Hollow pike, became involved in a difficulty over a business matter. Some rocks were thrown and Rogers shot Woods three times, twice in the left arm and once in the side. Woods was taken to the King's Daughters Hospital, where his injuries were attended to by Dr. J. S. Goodrich, and afterwards he was taken to his home, near Chasterville.

Rogers came to town and surrendered to Deputy Sheriff Crutcher. He was taken before Judge Polsgrove, gave bond for his appearance and was released.

WILL HELP SOME.

Thousands annually bear witness to the efficiency of Early Risers. These pleasant, reliable little pills have long borne a reputation second to none as a laxative and cathartic. They are as safe as bread in millions of homes. Pleasant, but effective. Will promptly relieve constipation without griping. Sold by J. W. Gayle.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat producing foods that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatin.

Kodol
Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

ALL IN DAINTY WHITE

The Great June White Sale Will Wing Its Way Into Popular Favor.

The story goes that three famous architects of ancient Greece were called before the council of nobles in Athens to consider plans for the Acropolis. The first stated his ideas at considerable length, the second elaborated his plans with still further fullness, but the third said simply: "I will do all these men said, and more."

This is apropos of our June sale of White Wash Goods, White Garments and Lingerie. All who are familiar with our standards will grow reminiscent at this announcement. It will conjure up memories of other years and other June sale days at this store. This year we mean to do all we have done before, and more. Sale begins Monday morning, and lasts one week.

HOME-COMING.

The plans for Home-Coming Week in Louisville, June 13-17, are practically complete, and any one at all familiar with them will agree that they point to the largest gathering in the history of the South. The very lowest estimate, based upon acceptance card and letter on file at the headquarters of the Louisville Commercial Club, points to an attendance of 55,000 ex-Kentuckians. Only a small portion of this number indicated on their acceptance card the county of their birth.

Below will be found a list of former residents of this county who have accepted the Home-Coming invitation. This list by no means represents the attendance of those who went from this county. Practically every one accepting the invitation has stated that he or she will be accompanied by from two to five others.

The Home-Coming Association at Louisville informs us that Franklin county will, according to its estimates, be represented by 570 former citizens of this county during the big June event. As the railroads have made a rate of one fare for the round trip from Louisville to all points in Kentucky, tickets going on sale June 16, it is expected that all former citizens of our county who visit Louisville will come to their old home as soon as they have partaken fully of Louisville's hospitality.

BARACA CLASS BANQUET.

"Feast of Reason and Flow of Soul."

The Baraca Class of the First Baptist Church of this city gave their second annual banquet to the men of that Church and other invited guests in the old chapel on Friday night last.

The rooms were beautifully and tastefully decorated by the ladies and were filled with a throng of gentlemen expectant of the delights both to the body and the mind, which were so soon to be spread before them. About 150 to 160 men and youths composed the crowd.

Rev. Dr. M. B. Adams acted as toastmaster and director of ceremonies. About 8:30 o'clock he called the audience to order and Rev. J. O. A. Vaughn, of the Methodist Church, invoked the Divine blessing.

A dainty and appetizing lunch was served by a large bevy of Frankfort's prettiest, sweetest and most modest girls and young matrons. It was bountiful to the last degree, and embraced all the delicacies of the season. It was handled in perfect time, with ease and grace and no hurry or flustering rush.

In the absence of the gentleman who was to respond to the sentiment "Ladies Who Have Helped Us," Dr. Adams introduced Rev. J. M. Severance, of Georgetown, who made a short talk which sparkled with wit and humor. His thrusts were keenly enjoyed by the audience and liberally applauded.

Mr. W. S. Farmer, the hustling business man and earnest worker in the cause of the Master, responded to the toast "Men And The Modern Church." His remarks were earnest, clear cut and to the point, and put clearly before the men of the church their duty as co-workers with the Master. He urged upon all honest and conscientious labor for the Master who has done so much for us. It was a capital address, and left its impress upon every heart in the audience and was warmly applauded.

Col. Jas. A. Scott responded to the toast "The New Politics," and paid a glowing and graceful tribute to President Roosevelt and

The Better Way

The tissues of the throat are inflamed and irritated; you cough, and there is more irritation—more coughing. You take a cough mixture and it eases the irritation—for a while. You take

and it cures the cold. That's what is necessary. It soothes the throat because it reduces the irritation; cures the cold because it drives out the inflammation; builds up the weakened tissues because it nourishes them back to their natural strength. That's how Scott's Emulsion deals with a sore throat, a cough, a cold, or bronchitis.

Grip's

Grim Grasp Caused Heart Disease.

Could Not Lie On Left Side.

Dr. Miles' Heart Cure and Nerve Cured Me.

Mrs. H. R. Jobe, formerly of Birmingham, Ala., writes from Eldredge, the same state, as follows:

"It was with the greatest pleasure that I recommend Dr. Miles' Nerve and Heart Cure. I only wish that I could tell every sufferer how much joy they have done me. Last winter I had a severe attack of La Grippe, which left my heart in a very bad condition. I could not lie down for the smothering spells that would almost overcome me and the feeling of oppression around my heart. I had not been so that I could lie on my left side for a long time. I got your Heart Cure and took three bottles. I have no trouble now with my heart and can lie on my left side as well as my right. Formerly I had suffered for years with nervous prostration. I had tried so many remedies that I had got clear out of heart of getting anything that would help me. The nerves of my heart were so affected that sometimes it would lose beats so it would seem to stop altogether. It was on the advice of a lady friend that I tried your Restorative Nerve. I felt better after the first few doses and two bottles of Nerve and one of Heart Cure made me feel like a new person. My heart is all right and my nervousness is all gone. I never fail to recommend it to others afflicted as I was."

Gov. Beckham as leaders in the fight for the enforcement of law under the aroused public conscience of to-day. He announced his purpose to stand squarely by the good and true men who are in the thickest of the fight for morality, honesty and righteousness, especially emphasizing the necessity for the enforcement of the laws controlling the observance of the Sabbath.

Col. Scott's remarks were enthusiastically greeted and warmly applauded.

City Prosecutor Geo. T. Davis was the next speaker, and responded to the sentiment "Some Needed Missionary Work." He outlined, in forceful and earnest words, the need for good and true men to take a hand in the fight, fearlessly and honestly, for civic righteousness and the enforcement of the laws against Sabbath breaking. He besought his hearers to uphold the hands of those seeking the betterment of the city and State, and paid a graceful compliment to Governor Beckham for his stand in regard to Sabbath observance in Louisville and elsewhere.

The audience paid the closest attention to the young orator and liberally punctuated the speech with hearty applause.

The Frankfort Orchestra, which had rendered beautiful and appropriate music throughout the evening, then played that stirring piece "My Old Kentucky Home," with variations, which was received with prolonged applause.

In rising to respond to the "Closing Address," Gov. J. C. W. Beckham was heartily received. His address was short, pointed and sparkling with fun. He thanked the managers of the banquet for giving him the pleasure of attending and the several speakers for their kindly allusions to him. He affirmed his purpose to see the laws in regard to civic righteousness strictly and impartially administered, gracefully complimented the ladies for their dainty and delightful repast, not neglecting to put in a humorous thrust at some of the gentlemen present.

The address met the earnest and enthusiastic applause of the big audience.

This ended the regular set program, but the audience were not satisfied, and when Dr. Adams called upon Rev. Messrs. Vaughn, Hudson and Crowe to respond,

each of them made a few terse and witty remarks, that finally sent the crowd away at 11 o'clock in splendid spirits.

These entertainments will be given annually and will be looked forward to with the most pleasant anticipations. The one this year was a far greater success than that of last. It serves to enlarge the social features of the work and draw the workers nearer together.

Rev. Dr. Adams and his band of workers, both gentlemen and ladies, are to be congratulated upon their splendid success.

DECORATION OF CONFEDERATE GRAVES.

Joseph H. Lewis Chapter, Daughters of the Confederacy, with other friends, assembled at the cemetery on Saturday afternoon for the purpose of decorating the graves of the Confederate soldiers.

Rev. J. K. P. South opened the exercises with prayer, after which Rev. Wm. Crowe, Hon. Thos. W. Scott and Capt. James Blackburn delivered short addresses appropriate to the occasion.

The graves were then tastefully decorated with beautiful flowers.

[For the Roundabout.] CALIFORNIA EARTHQUAKE ECHOES.

Snide Workmanship and Rascally Contractors Were Badly Exposed by Tumbled Down Walls and Rotten Mortar.

Healdsburg, Cal., May 28, 1906. Earthquakes have an especial vengeance against brick. They tumbled them about unmercifully, whether in fine edifices, humble cottages, foundations, cellars, springhouses, or wells, walled up.

Good, substantial frame houses, on concrete foundations, on solid ground, stood the test, and passed through the quake without a scratch. Monuments were tumbled regardless of the sacred, silent dead.

Bottom and swamp lands shook and suffered, while buildings nearby on elevated lands, passed unscathed.

There was no instance in which the earth opened or changed its natural conditions except on filled-in lands, or made earth, there she gaped open and took in whatever was on the surface.

A visit to San Francisco showed a horrible state of affairs—four miles square of utter and complete destruction, six times as large as the Chicago fire.

The earth was sunk only where filled in. Valencia and Eighteenth streets, where Willow Creek had once run, was sunk fifteen or twenty feet, burying dwellings down to the second story, engulfing many human beings, most of whom were in the ruins at this date.

Mission street, where the new postoffice, recently finished, stands, was once a bog, has sunk four or six feet, leaving the post-office standing on its piles, driven 50 feet into marsh and made earth, but badly damaged.

The foot of Market street, also made earth, has sunk two feet or more, ruining street and twisting railroad track and heavy rails as if mere pipe stems.

Vandalism and robbery worthy of barbarism held sway during the fire. Men and women both were caught and shot dead in their nefarious work. One man had pockets filled with ladies' ears.

Do you experience any of these symptoms?—distressing after-dinner sleep, fainting of food, drawing at night, churning, loss of gas, belching, loss of appetite, headache, dizziness, suffer in any of these ways, you are in need of a special course open to you—Dr. Shoop's Restorative (Tablets or Liquid) should be taken to this—it is the only prescription which builds up, or even attempts to restore the inside stomach nerve. THE SATURDAY EVENING POST BUSINESS COLLEGE

BESIDES giving thousands of bright boys abundant spending money (some earn \$15.00 a week) we teach our boys salesmanship, that quality that commands such high salaries in the modern business world. A Brooklyn insurance man, whose son sells THE POST, writes us:

"You are probably conducting the best business college on earth, for you are not dealing with theories but with cold facts in practice, based upon your excellent methods for encouraging and helping boys in every way."

Boys who want to make money, boys who want to be taught how to win, by one of the most successful business firms in the world—these are the boys we want to hear from. We can teach you how to "play the game" and you make good money while you are learning. It doesn't cost you a cent to start—for we furnish the first supply of magazines free and you can buy your next supply with the sales of the first.

We have a booklet that tells about some of our boys—the money they have made, the extra prizes they have won and how they gained success. If you are a "success boy"—made of the right stuff—we want you to write us—right now.

cut from the human head to secure the jewels.

One young lady exhibited her hand from which two fingers had been severed to steal the rings. The thief was a fiend in human shape. He presumed his victim was dead, but the cutting revived her. There are many similar cases reported by persons who passed through the calamity.

Many and various are the causes held by scientist and mineralogist for the earthquake. One set claim that the entire portion of the State west of the coast range has slipped fully six inches into the Pacific Ocean. Another claims there was a quake in the ocean near Tomales Bay, sixty miles west of San Francisco, and yet another says there was a volcano away out in the depths of the ocean, as evidenced by the immense amount of pumice stone, with deep water crabs attached, floating in the ocean.

Earthquakes have become quite numerous of late, though they seemed to have been tamed and of milder nature. The Japs say our big trembler was a picnic to what they have in Japan, where over four hundred occur in a year, they have become accustomed to these over there and the women utilize the quakes to rock their babies to sleep.

SUPERIORITY PROVES ITSELF.

The sincerest tribute that can be paid to superiority is imitation. The many imitations of DeWitt's Witch Hazel Salve that are now before the public prove it the best.

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overlooked. The poor patient, and the rich patient too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer clime, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those that use German Syrup. Trial bottle—25c; regular size, 75c. At all drug, gists.

WE want to argue the "CASE" with you, and help you make this threshing season a success.

To be successful, one must have an equipment that is both labor saving and money making. You will find both of these features in the J. I. CASE machines. Give us a call.

HONORABLE AND UPRIGHT COLORED MAN PASSES AWAY.
We regret to learn of the death of one of the most upright, honorable and thoroughly reliable of our colored citizens, Mr. Levi Berry, more familiarly known as "Uncle Levi."
He was an industrious man and had accumulated enough to own a small farm on Cove Hill, on which he raised the finest fruits of all kinds and market gardening of the best.
He was a familiar figure on our streets, where he vended his produce regularly, and was universally popular because of his integrity and fair dealing.
He was a brave soldier during the civil war, and had served as Commander of Geo. W. Mon. Post, G. A. R.
He was a devout member of the M. Hills Colored Baptist

Church. He was 75 years of age, and leaves an aged wife and several grandchildren (to whom he was devoted and loving) to mourn his death.
The funeral services were conducted by the G. A. R., who laid him away with military honors in Green Hill Cemetery.

TWO MORE NEW STREET CARS.
Two additional street cars were received in this city and immediately put into service by Superintendent J. D. Sallee.
Attention is called to the schedule of time upon which the Traction Line is now run.
Mr. Sallee has shown that he is the right man in the right place and is giving us an up-to-date service. Shake!

Dr. Pierce's Favorite Prescription
Is a powerful, invigorating tonic, imparting blood and strength in particular to the organs distinctly feminine. The local, womanly health is so intimately related to the general health that when diseases of the delicate womanly organs are cured the whole body gains in health and strength. For weak and sickly women who are "worn-out," "run-down" or debilitated, especially for women who work in store, office or schoolroom, who sit at the typewriter or sewing machine, or bear heavy household burdens, and for nursing mothers, Dr. Pierce's Favorite Prescription has proven a priceless benefit because of its health-restoring and strength-giving powers.
As a soothing and strengthening nerve-tonic, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea, or St. Vitus's dance, and other distressing nervous symptoms commonly attendant upon functional and organic disease of the womanly organs. It induces refreshing sleep and relieves mental anxiety and despondency.
Cures obstinate cases. "Favorite Prescription" is a positive cure for the most complicated and obstinate cases of "female weakness," painful periods, irregularities, prolapsus or falling of the pelvic organs, weak back, bearing-down sensations, chronic congestion, inflammation and ulceration.
Dr. Pierce's medicines are made from harmless, but efficacious, natural roots and herbs of value to the human race. The Indians knew of the marvelous curative value of some of these roots and imparted that knowledge to some of the frontier whites, and gradually some of the more progressive physicians came to test and use them, and ever since they have grown in favor and their safe superior curative virtues and their safe and harmless qualities.
Your druggist sells the "Favorite Prescription" and also that famous alternative blood purifier and stomach tonic, the "Golden Medical Discovery," which Dr. Pierce sold at your case. He is an experienced physician and will treat your case as confidential and without charge for correspondence. Address him at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., of which he is chief consulting physician.

G. A. R. DECORATION DAY.
The surviving comrades of A. G. Bacon Post, G. A. R., assembled in the chapel of the cemetery, on Wednesday last, at 4 o'clock, p. m.
Maj. T. J. Hutchinson, acting as Commander, called the assembly to order, and Chaplain C. C. Futt invoked the Divine blessing.
Capt. I. T. West read the immortal Gettysburg address of President Lincoln.
Following the reading of this address, the graves of the fallen heroes were beautifully decorated by the large crowd of ladies present, who had supplied an abundance of flowers for the purpose.
The colored members of Geo. W. Monroe Post, headed by a band of music, marched to Green Hill Cemetery, where appropriate services were held.
There was no display, but simple and loving was the tribute paid the gallant dead.

DECIDE YOURSELF.
The Opportunity is Here, Backed by Frankfort Testimony.
Don't take our word for it. Don't depend on a stranger's statement. Read Frankfort endorsement. Read the statements of Frankfort citizens.
And decide for yourself.
Here is one case of it:
Mrs. Amanda Dean, of 13 Taylor Avenue, wife of J. T. Dean, boatman, says: "While I did not personally use Dean's Kidney Pills can highly recommend them for the great relief they afforded my oldest daughter, who has always suffered from a weak back ever since born a child. On account of this condition it was almost impossible for her at times to lift anything. Accompanying this was a difficulty with the kidneys which was very annoying and distressing. I learned about Dean's Kidney Pills and procured them for her at J. W. Gayle's drug store. She took them as directed and they helped her in every way. Her back felt very much better and stronger and the difficulty with the kidney secretions was cured. My youngest daughter complained a great deal of her back hurting her too. I gave her Dean's Kidney Pills and the results in her case, as well, were most satisfactory."
For sale by all dealers. Price 30 cents. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Dean's—and take no other.

ASK AGENTS FOR PARTICULARS.
Daughters of the Confederacy, gave a delightful supper on Tuesday evening, at the Courthouse.
In addition to serving delicacies of the season, an eloquent and appropriate address was delivered by Mr. T. Hiter Crockett.
A neat sum was realized for the benefit of the indigent heroes under the care of the chapter.
In addition to the attractions above, was the fact that that evening was the birthday of the gracious and handsome President of the Chapter, Mrs. J. Alex. Grant.
We certainly wish her many happy returns of the day. She is a charming and attractive lady, though the silver is mixed with the black in her crown of hair.

STRANGE ADVICE!

Dr. G. O. Green gives alert personal attention to his great humanitarian contract.
In our Almanac for many years past we have given unusual advice to those afflicted with coughs, colds, throat or lung troubles or consumption. We have told them if they did not receive any special benefit after the use of one 75-cent bottle of German Syrup will speedily relieve or cure the worst coughs, colds, bronchial or lung troubles—and that, even in bad cases of consumption, one large bottle of German Syrup will work wonders. New trial bottles, 25c; regular size, 75c. At all druggists.

Lots in Frankfort.
I have caused my land on Arlington Heights, extending from the State Arsenal lot east to Mr. Riddell's lot, laid out on the ground in convenient lots fronting on new avenues or to be opened as and when the lots shall be sold; and I have at my office a plat made by R. A. Frazier, City Engineer, showing the location and dimensions of the lots and proposed streets and alleys, to which I invite the attention of those desiring to purchase lots for residence purposes.
The Water Co. and Gas Co. will extend their mains as the lots are sold, and sewer connection can be readily made.
The location of these lots can not be surpassed for healthfulness and the beauty of scenery.
I will take pleasure in showing the lots to all persons desiring to purchase, and will make known the prices and terms of sale on application to me.
